

# Village Explorers

## An Adventure Awaits You!

In the Village Explorer program, you and your students will journey with an interpreter to several of Westfield's historic buildings. Through engaging and unique hands-on experiences, your class will gain an understanding of life in 19th century Ontario.

We are happy to work with you if you have particular topics or interests that you would like your class to explore. We can also suggest a variety of themes including home life, travel, technology, trades, food history, etc. Please feel free to contact us to discuss the possibilities.

Westfield Heritage Village  
1049 Kirkwall Road,  
Rockton, Ontario LOR 1X0
